Dear Ministry Partner,

Like so many involved in this wonderful pursuit of serving God's glory by fulfilling His mission, I am diligent to discover friends with whom we can partner in Christ's great cause. Scott Dawson is one such friend.

Having partnered with Scott, I can say with confidence that he is a man of impeccable character and diligent determination. He has devoted himself to equip churches as we seek to serve God's glory by advancing the gospel to the ends of the earth. God has gifted Scott with a passion and power in preaching the gospel of Jesus Christ. Recently, I invited Scott to preach in our weekend worship gatherings. God used the clarity of his message and the connection he made with those in attendance to draw many to salvation. We celebrated with the angels as adults and young people came to Christ in faith and experienced God's saving grace.

Through Scott's preaching and teaching, the *Strength to Stand* conferences, and *Safe at Home* evangelistic ministry, God continues to favor churches and communities with the beacon of His transforming gospel. Our church's partnership with him has been a blessing and will continue to aid us as we seek to honor God by reaching people with the gospel. Scott's personal encouragement to me is invaluable as well. The benefits for God's kingdom have been astounding.

I am "stoked" about God's work through Scott Dawson. His ministry is simply a God-anointed movement that has blessed our church richly because it has helped us advance God's gospel around the world. If you have any questions about Scott or your church's partnership with him, please do not hesitate to contact me.

For His Honor,

Eric J. Thomas
